

CHEERLEADERS CLASS

We are so excited to offer this amazing class again. This combination Jazz and Hip Hop class is for all you girls that want to cheer, but want to keep up the dancing too. We have moved the class to another night to accommodate more of you. This class will have the opportunity to compete (if interested) and will perform in our Concerts at the Koger Center in May.

The new schedule is as follows:

Tuesdays

7:30-8:30pm

Studio D

YES...the big one!!

We understand your commitment to your Cheerleading Team and we certainly know how competition season can be crazy. Therefore, we are going to be using the "Punch Card" system for your class this year. The cost of a Punch Card will be \$100 and is good for 10 classes. By changing to this system, you will only be charged for the classes you actually attend. While we obviously encourage you to come to every class possible, we want you to be able to fulfill your duties to your team and not be worried about losing money.

We hope these changes will enable more people to participate in this incredible class. Round up your friends and join us for a ton of fun!! See you soon!!!
